You couldn't possibly come up with a more fitting name than the one chosen for this company! Not very long ago we went with Creative Alternatives to purchase our home. The process was so smooth and quick that we decided to go with them when we decided to sell!!!! We're currently in the process of working out a Lease Purchase Agreement with Creative Alternatives so we can settle quickly and move into our new home in Fredericksburg. I highly recommend using Creative Alternatives if at all possible. They have great resources, know-how and a drive to make things work for you. You won't be disappointed.
