To Whom It May Concern:

I have enjoyed working with Greg Norman of Creative Alternatives, LLC. He has been a lifesaver for many reasons.

In the past I have had some irresponsible tenants who were often late with the rent payment and who damaged the property. They contributed greatly to stress in my life at the time and gave me many headaches.

When I signed with Creative Alternatives, Greg Norman found a tenant for my house. I did not have to worry about time-consuming job of performing credit checks or employment verifications. In addition, Creative Alternatives ensured that the rent payments were made to me on time. I never had to worry about a late payment by a tenant because Creative Alternatives guaranteed payment. This was definitely a relief! I did not have to be concerned with the management of the property in any way.

I never even had the need to see the property again after signing with Creative Alternatives. I did not get any calls about damages or repairs. Greg Norman took care of everything! It was almost too good to be true – but it was true.

Creative Alternatives also guaranteed that the house would actually be sold – and it was! I was amazed that everything I was told when I signed with Creative Alternatives was fulfilled at the closing. I did not have to worry about taxes, closing costs or realtor fees. I received what Greg Norman and I originally agreed upon at closing without any complications of any kind.

I definitely recommend Creative Alternatives, LLC to those who are interested in renting their property with the desire to sell it in a few years. In fact, I will likely contact Greg Norman again when I am ready to move from my current property.
